Highlands Ranch, CO— May 24, 2023 — RV Business Solutions, a leading buy-sell advisor to RV dealers, was the exclusive sell-side advisor to Jason Child in the sale of his two (2) Helper, UT based RV dealerships, Carbon Emery RV to Camping World Holdings, Inc., a Lincolnshire, IL based RV company. Owner Jason Child started Carbon Emery in 2016. The land was a gravel lot with a 3,500 Sq ft. shop and an office trailer before Jason built a new 9,200 Sq ft. building at the end of 2016. In 2021 Jason expanded to a second location on what was their overflow lot, giving them the ability to stock more inventory and service more units.

Jason stated, “My vision for Carbon Emery RV was to develop an RV dealership focusing primarily on serving the Helper, UT area. We know the kind of freedom and adventure our customers are looking for, so we intentionally carry a large selection of new and pre-owned campers with our local customers in mind. In addition, we have built friendly and experienced sales, financing, service, and parts teams, each ready to offer outstanding service at every point. From assisting in making their RV choice to ongoing maintenance and customization, we value the opportunity to create long-term relationships with our customers, and we do that by striving to exceed their expectations.”

Jason continued, “Scott, Mike and Adam did an outstanding job for me and my family. They brought several potential buyers to me, but in the end, we felt that Camping World we be the best fit for us and our employees, and we look forward to becoming part of the Camping World dealer network. I highly recommend the team at RV Business Solutions to any RV dealer looking to sell their business.”

Since 2021, RV Business Solutions has advised on the sale of over 50 RV dealership locations totaling over \$400M in Transactional Value. Scott Degnan, Co-Founder and Partner at RV Business Solutions commented, “It was a true pleasure working with Jason and our honor to be able to help him in the sale of his dealerships. Mike, Adam, and I could not be happier for him and Morgan.”

“Carbon Emery RV expands our presence into the important national park corridor of central Utah, and post-acquisition we expect to solidify our position as the number one RV retailer by unit volume in Utah,” said Marcus Lemonis, Chairman and CEO of Camping World.
