Highlands Ranch, CO— March 30, 2022 — **RV Business Solutions**, a leading buy-sell advisor to RV dealers, was the exclusive sell-side advisor to Eric Kendle in the sale of his Greencastle, Pennsylvania based RV dealership, **Keystone RV Center to Pete's RV Center** of South Burlington, Vermont.

**This sale represents the company's 6th RV dealership sold in 2022 and 39th over the past 12 months.** RV Business Solutions (rvbusinesssolutions.com) offers intermediary consulting and advisory services to buyers and sellers of RV dealerships.

"When I began to consider selling my RV Dealership, I first attempted to go it alone, and I soon realized that my time and attention was better spent on continuing to run and grow my business. Several business associates then referred me to Mike and Scott from RV Business Solutions. I learned they were the leading RV dealership buy-sell advisors and that they would find the right buyer for me. That certainly proved to be the case. Not only did they help me manage through all the highs and lows that went along with selling my dealership, but their steady-handed approach and unwavering focus on making the right deal for me was key to selling my RV dealership. I highly recommend Scott and Mike to anyone considering selling or buying in today's RV market. Their vast RV industry knowledge, experience, and list of contacts and relationships were critical in finding the right buyer for me and helping me maximize the value of my business." said Eric Kendle, owner of Keystone RV Center.

"We appreciate the opportunity to have represented Eric in the sale of Keystone RV Center." said Mike Lankford, Partner at RV Business Solutions, "Eric was truly a pleasure to work with, and he is looking forward to having his employees flourish and grow under their new partnership with Pete's RV."
